ALL CHILDREN LOVE "SYRUP OF FIGS" FOR LIVER AND BOWELS

GIVE IT WHEN FEVERISH, CROSS,
BILIOUS, FOR BAD BREATH
OR SOUR STOMACH.

Look at the tongue, Mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once.

When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad; has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul constipated waste, undigested food and sour bile gently moves out of his little bowels without griping, and you have a well, playful child again.

You needn't coax sick children to take this harmless "fruit laxative;" they love its delicious taste, and it always makes them feel splendid.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has direction for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

False Report about Chas. Miller

Adeline, Ky., April 16, 1917.

Mr. M. F. Conley,
Louisville, Ky.

Dear Sir and Friend:—
It has been rumored by some thoughtless enemy that I have talked against this government and in favor of the Kaiser of Germany, stating that I have said I would be pleased if the Kaiser would be victorious over this country, and that this country would come under his tyrannical rule. Now I wish to state the unreasonableness of such an assertion. I was born in Switzerland. My father immigrated to this country when I was eight years old, it being in the year of 1865 just at the close of the war. He took the oath of allegiance and loyal citizen until his death. I have been a voter for 28 years and have been blessed by the protection and freedom of this country of ours. Now, being born in a free country and having lived so long in this free country and reaped the blessing thereof, would it be reasonable for me to say that I favored the Central Powers Government of Tyranny and Imperialism? I say no. It is a malicious attack on my integrity. I love this country and am ready to defend its rights at any call to maintain its powers and freedom. Respectfully submitted to all the good people of this great country.

"Signed,"
CHAS. MILLER, Adeline, Ky.

The Good Roads Movement

The NEWS has published an account of the Good Roads meeting on the first day of the April Fiscal Court. Also, a list of the men appointed from the magisterial districts to compose the County Council. The following is from the report made by Mr. Fred M. Vinson, county secretary:

The organization is truly a volunteer movement. It has been perfected for the sole purpose of benefitting road conditions of our county, and herewith is outlined the plan of organization, and the intended workings of the association.

This association has a President and Secretary, whose jurisdiction is co-extensive with the entire county; from each Magisterial District in the county, there is to be selected one man to take charge of this work in his district, and to account to the officers of the county the results of the efforts obtained. The men selected from each Magisterial District, together with the President and Secretary of the Association, are to be known as The County Council of the Association; then there is to be selected two men in each voting precinct, who are to take charge and look after the interest of the people in their respective precincts. The controlling idea of the organization is to place into the hands of the people the responsibility of this movement, with such a division of labor as will proportionately place it upon every citizen in each precinct, to the end that each and every citizen therein shall assist in the work, which is for their common good and to likewise participate in the benefit resulting therefrom in a fair measure.

This effort tending to the betterment of our country is one sacrificial in nature. No one receives monetary benefit for the services performed. It is a work tending to benefit of every citizen of the county; it is a labor of sacrifice and of love. It is hoped that the movement will have a far reaching effect upon the good of the community from its very inception; it is hoped that it will not be considered or treated as a partisan movement in any respect; it is hoped that the people of the county will recognize in the effort of the organization a real desire to assist the people, in getting good roads. The fact that things have not been done in your portion of the county, which, in your judgment, should have been done, should not deter you from being vitally interested in this movement, as this association can not be blamed for anything that has been done, or failed to be done, heretofore; and will not be in position to be blamed for anything in the future if each and every citizen of the county will do their respective part in this movement.

It is the purpose of the association to have road meetings in each Magisterial District, at which meetings details of the association will be particularly outlined, and the two men for each precinct will be selected and the work then fairly begun.

This organization can attain only such results as the citizenship of the county desire; it can do no more nor less than the real inclination of this county demands. It is our hope and purpose to effectuate this Good Roads Association, and trust that it will secure the object of our desires—GOOD ROADS.

"I Put 2 Drops of 'Gels-It' on Last Night—Now Watch—"

"See—all you have to do is to use your two fingers and lift the corn right off. That's the way 'Gels-It' always works. You just put on about 2 drops. Then the corn not only shrivels, but loosens from the toe, without affecting the surrounding flesh in the least. Why, it's almost a pleasure to have corns and

"That Was a Quick Funeral That Corn Had With 'Gels-It'."

See how 'Gels-It' gets them off in a hurry and without the least pain. I can wear tight shoes, dance and walk as though I never had corns."

"Gels-It" makes the use of toe-irritating salves, bandaging, taping, plasters and other things not only foolish, but unnecessary. Use this wonderful discovery, "Gels-It," for any soft or hard corn or callus. It is the new, simple, easy, quick way, and it never fails. You'll never have to cut a corn again with knives or scissors, and run chances of blood poisoning. Try "Gels-It" tonight. "Gels-It" is sold everywhere, 25c a bottle, or 50c on receipt of price by E.
